

European Institute for Labour and Industrial Relations

www.eiab.de

1st KEYtoEU meeting
Nils Andreas, Deputy
Alsbach, October 2nd

Organization

- ▶ We are a non-profit organization since 1994
- ▶ The institute is managed by Lutz M. Büchner, executive manager and myself
- ▶ The 35 members of our institute are coming from all over Germany:
 - Employers and Employees
 - Trade Unionists and Researchers

Mission in general

- ▶ From the beginning we worked in the field of industrial relations, which means topics in the relationship between companies and its employees, trade unions and state
- ▶ Key topic is the European Social Dialogue policy
- ▶ Since 2019 we take part as “Private Public Body” in an European Erasmus+ Project on “Smart (Digital) Society”

Sustainability (1)

- ▶ As a main topic since more than 10 years we deal mainly with **Sustainability**
- ▶ We took part in several European projects on Sustainability and Corporate Social Responsibility (CSR), which means the responsibility of companies for climate, environment and social concerns
- ▶ Since 2003 we did train employees of small and medium sized enterprises (SME) to “Corporate Sustainable Managers”

Sustainability (2)

- ▶ We are organizing public events on sustainability
- ▶ We are working together with companies in the field of corporate sustainability
- ▶ We recently published a book on sustainability of SME in our region
- ▶ We are publishing columns on sustainability topics in newspapers

Our Motto:
Solidarity - we just have
one world together

Thank you
for your attention!
